Dear Friends,

On behalf of the Members of Council of the City of Brampton, it is a pleasure to welcome you to Carabram – Canada's premiere multicultural event.

Brampton is truly fortunate to be a city of such diversity and to be home to this great festival. A festival that will provide over 40,000 people the wonderful opportunity to experience and celebrate some of the many cultures found in our community.

The Carabram experience highlights the invaluable contributions that our many cultures make to the quality of life of all Bramptonians. We are so proud to have this great event in our community.

I know you will enjoy the cultural displays, entertainment, food and hospitality of each pavilion as you travel around the world!

Sincerely,

A handwritten signature in black ink that reads "Susan D Fennell".
